

**State of play, update and improvement of legal frameworks relating to private investment and other tax provisions facilitating fisheries development.
ACP Fish II – European Commission**

Year: 2013

Country: Mauritania, Senegal, Cap-Vert, Gambia, Guinée, Ivory Coast, Ghana

Client: European Commission / Agora 2000 (Italy)

Description:

The overall objective of the ACP Fish II Programme of which this project is part is to contribute to the sustainable and equitable management of fisheries, leading to poverty alleviation and improving food security in ACP countries.

The specific objective of this contract was to increase or stimulate private investment in the 7 countries concerned.

The results achieved by the consultant are as follows:

- i) An assessment of the development potential of private investment in each country is carried out;
- ii) The state of play and analysis of legal and tax frameworks relating to private investments are carried out in each country;
- iii) Proposals for the updating and improvement of the legal and tax frameworks are formulated;
- iv) Recommendations on how to implement these proposals are made.
